Your initial application is under review

Your initial application for an Outreachy internship was received on Jan. 24, 2024.

Your initial application is being reviewed by the Outreachy organizers. We have already received a notification about your initial application, and there is no need for you to send an additional email. We may follow up with additional questions for you via email.

Do not submit a second initial application.

Application results will be available on March 4, 2024 at 4pm UTC. All accepted applicants will receive an email notification on that date. Applicants who are not accepted will not receive an email.

Please bookmark this page so that you can check the status of your initial application.

Preparation for the contribution phase

On March 4, 2024 at 4pm UTC, accepted applicants will move onto the contribution phase. During the contribution phase, applicants make contributions to Outreachy projects.

We encourage you to read our documentation while you're waiting for your initial application results. The Applicant Guide has tips for preparing for the contribution period. The Internship Guide has information about the intern payment schedule.

You can see some of the potential projects for this round. Projects will be added until the contribution period opens on March 4, 2024 at 4pm UTC. Do not contact mentors or coordinators until the contribution period opens.

Please sign up for the Outreachy announcement mailing list, so you can be notified of important deadlines.
